VIRGINIA

In 1983, 22 Corvettes met for a cruise on the Blue Ridge Parkway. At the end of the day, the Virginia Corvette Club was established. Subsequently the Club was incorporated and granted tax-exempt status as a 501(c)(7) social club for Corvette enthusiasts.

The members of the Virginia Corvette Club are dedicated to the Corvette hobby. We are active throughout the year participating in a variety of events such as cruises, car shows, cruise-ins, and other activities. Members enjoy sharing knowledge and experiences with each other. Participation in the Club brings an added benefit of enjoying comradery and developing new friendships. Club meetings and other events are posted regularly on the Club's website www.virginiacorvetteclub.com.

We are always happy to have new members. You will find yourself warmly welcomed into the Club.
